Date	Workshop	Class Fee	Amt. Due
Thursday evenings, 6—9PM February 17 - March 24 (6 sessions)	SUFI Summit Urban Farming Initiative Workshop This program is targeted at new and emerging urban farmers and market gardeners in Akron and Summit County. The program will teach how to plan, budget and conduct a successful urban farm venture. Topics will include business planning, marketing, creating a niche, finding land, working with farmers' markets and other topics essential to the development of urban agricultural businesses. Sessions will be taught by educators from OSU Extension, The Cuyahoga Valley Countryside Conservancy, the Summit Food Policy Coalition and other organizations. All training sessions will meet at Westminster Presbyterian Church on West Exchange Street in Akron.	\$125	
Thursday evenings, 6—9PM March 31, April 7, April 14	SUFI Green: Growing in the City SUFI Green is a special three-session evening program focusing on the "how-to's" of urban agriculture. Topics include managing pests, extending the season, keeping chickens and other animals, growing fruit and keeping bees in the city. All training sessions will meet at Westminster Presbyterian Church on West Exchange Street in Akron.	\$65	

Make checks payable to OSU Extension.
