

Growing Hope

Food Summit

Free Event

Join us as we engage in dialogue to develop strategies aimed at creating a localized food system that increases accessibility, strengthens our economy and empowers the residents of Summit County.

*April 1-2, 2011
St. Joseph Family Center
610 W. Exchange Street
Akron, Ohio 44302*

Premiering "Fresh" the Movie

Friday, April 1

7:00 pm

"Fresh" is a platform to raise awareness and connect people to solutions that can launch a grassroots movement to grow fresh food and ideas. The movie celebrates the farmers, thinkers and business people across America who are reinventing our food system.

Growing Hope Food Summit childcare available

Saturday, April 2

9:00 am – 2:00 pm

Lunch provided and

Learn about food systems and opportunities for communities to grow, process and distribute food locally while helping to shape a vision for our local food system. Residents, farmers, community gardeners, food processors, school leaders, restaurants, grocers, faith and community leaders, health professionals, government, business, elected leaders across Summit County are invited to attend.

REGISTRATION REQUIRED- SPACE IS LIMITED
