

## **ASSISTANT GROWER**

At Green Circle Growers we strive to make every day better with the beautiful plants we grow. Our Company has successfully grown on the values of respect, hard work, customer focus and integrity. We seek to add employees to our team who possess these values.

### **Job Summary:**

Green Circle Growers has an immediate full-time opening for a dependable **Assistant Grower**. In this position, the Assistant Grower is responsible for ensuring that crops are delivered on time, at or above the planned quantity, and according to internal specifications. The position requires a detail-oriented approach to ensure that a variety of crops develop per existing best practices. Among other duties, the Assistant Grower will determine irrigation needs, analyze media, scout for insects and disease, and maintain a clean and organized work environment.

### **Primary Responsibilities:**

- A basic understanding around fundamental plant requirements, including irrigation requirements, fertilizer requirements, EC and pH management, and pest and disease identification/management. Also, an understanding of how each of these impacts plant development and scheduling.
- Ability to keep area clean and organized, both directly (hands on) and indirectly.
- A basic understanding of IPM principles, including scouting (hands on), placement of traps (hands on), distribution of beneficial insects (hands on) and application of chemicals (hands on) as deemed necessary by the Grower and Grower Manager.
- Ability to navigate Priva environmental software and communicate variances.
- Report concerns related to plant health or employee safety.
- A positive, flexible attitude and a common-sense approach are essential.

### **Required Technical Skills:**

- Strong computer skills with proficiency in MS Word and MS Excel.
- Ability to multi-task and work independently in a fast-paced, dynamic environment

Pay range commensurate with applicable experience and must be willing to work overtime as needed. This position also includes an excellent benefits package: Health, Dental, Vision, LTD, Life, paid vacation, paid holidays, and 401K with match. Green Circle Growers is an Equal Opportunity Employer.
